Shooter / Aim Trainer	Solo Training	1	PS5	Free-to-Play	Nov 4, 2025

OVERVIEW

Aimlabs is a dedicated aim-training platform for FPS players. Instead of full matches, it gives you focused drills, adaptive exercises, benchmarks, and feedback designed to improve mechanical aiming skills over time.

WHY PLAY?

- Excellent warm-up before competitive shooters.
- Clear drills for flicking, tracking, and switching.
- Useful analytics make progress easier to measure.
- A natural fit if you play Valorant, Warzone, or Overwatch 2.

TIPS FOR PLAYERS

5

Match your in-game sensitivity as closely as possible.
Train 10–20 minutes consistently instead of grinding for hours.
Fix inside accuracy first; speed follows naturally.
Repeat weak scenarios and compare benchmark results over time.
Use short sessions before ranked or competitive sessions.

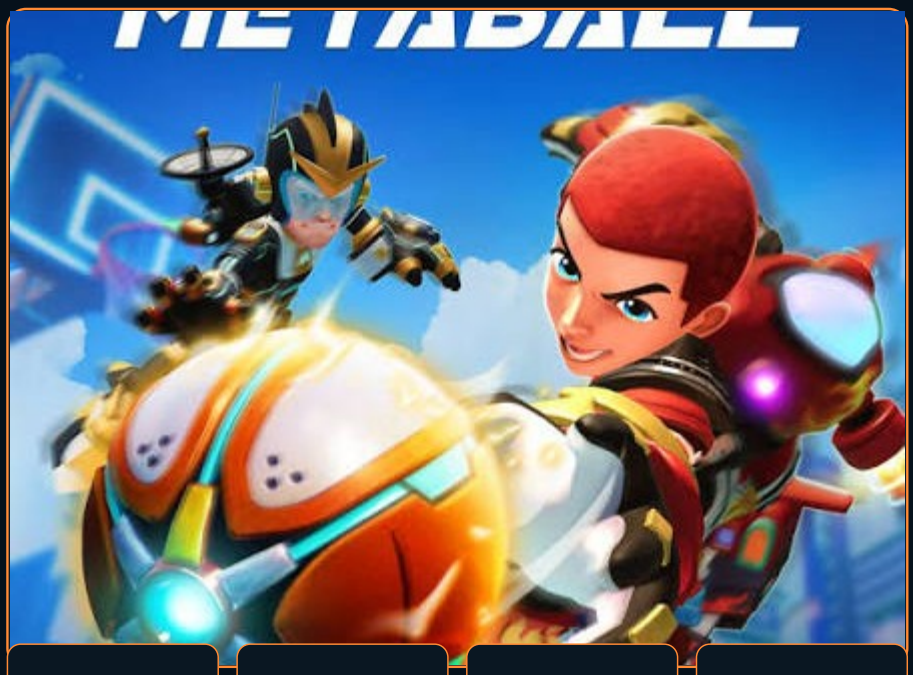
METABALL

FREE TO PLAY
PS5

HOVERBOARDS. CHAINS. DUNKS.

Fast, flashy team sports where movement and ball control matter as much as scoring.

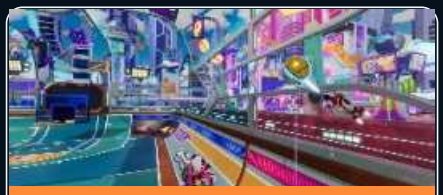


HOVERBOARD PLAY
Mobility is central—boost, jump, and reposition fast.

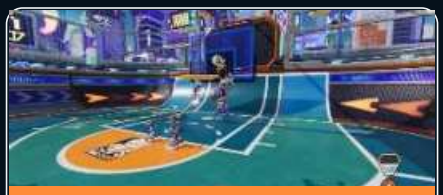
TEAM SPORT
Pass, steal, block, shoot, and create space for teammates.

CROSSPLAY
Built around online multiplayer competition.

PERK TREES
Customize your rider with perks and playstyle choices.



HIGH-SPEED ARENAS
Ride walls, boost, jump, and use your chain to move the ball around the arena.



2v2 & 3v3 ACTION
Quick and Ranked modes support compact online team matches with up to six players.

Genre:	Mode:	Players:	Platform:	Price:	Released:
Sport / Action	Online Team PvP	Up to 6 online	PS5	Free-to-Play	Mar 8, 2024

OVERVIEW

Metaball is a free-to-play futuristic sports game built around 2v2 and 3v3 matches. Players ride hoverboards, swing the ball with a chain, and combine movement tricks with passes, steals, blocks, and shots.

WHY PLAY?

- Distinctive movement makes every possession active.
- Short matches are easy to jump into.
- Team coordination matters more than raw shooting skill.
- Perks, rewards, and Ranked play add longer-term progression.

TIPS FOR PLAYERS

5

Learn movement and boost control before chasing the ball too aggressively.

Use passing to create open shots.

Save nitro for recoveries, fast breaks, and defensive rotations.

Practice in Academy or Free Play.

Work teammates and rotate instead of stacking on the same target.

FREE ENTRY
The PS5 version is listed as free with optional purchases.

Genre:	Mode:	Players:	Platform:	Price:	Released:
Puzzle	Single-player	1	PS5	Free-to-Play	Jul 1, 2026

OVERVIEW

Tricky Doors is a first-person puzzle and hidden-object adventure. Each chapter drops you into a strange setting filled with locked doors, mechanisms, inventory puzzles, and clues that must be pieced together to find a way out.

WHY PLAY?

- Relaxed pace with no competitive pressure.
- Good mix of observation, inventory use, and logic puzzles.
- Distinct environments keep chapters visually varied.
- Works well as a short-session puzzle game.

TIPS FOR PLAYERS

5

Tap and inspect everything—small objects often hold the key.

Keep track of symbols, numbers, and patterns you see.

Try combining inventory items when progress stalls.

Revisit earlier rooms after finding a new tool.

Use hints sparingly so the puzzle flow stays satisfying.
